

## Why not register online?

### ✓ Live access

Prices for all our products are available on our website so you can login 24/7 and get an instant quote on any product you need.

Out of stock items will flag up to save you buying products that aren't immediately available, plus you can request an email to let you know when the item is back in stock.

You can also access our blog posts on our website to keep up to date with the latest healthcare news and trends, plus any new product launches and innovations you should know about!

### ✓ Hassle free ordering

All our products are easy to find under product category menus with clear images, product details, product codes and sizes.

You can also use our search function to find what you need even faster!

Simply add all the products you need to your shopping cart and proceed through the checkout.

Place your order by 2:30pm to receive delivery next day!

### ✓ Save your favourites

Your most frequently ordered items will automatically save to your account for quick and easy reference next time you come to stock up.

You can also add any products to your favourites list by simply selecting the 'Add to favourites' button displayed on every product page.

### ✓ You take charge

Your online account will give you full access to all previous orders you've placed online and you will be able to update us through your account with new contact details or order call frequency choices.

You can also setup a standing order to ensure you never run out of the essential supplies you need!
