

How to Recycle Plastics

Each of the items in this table can be recycled and most councils follow the same rules. However these rules can differ slightly, so it may be best to check with your local council body..

Here is a general guide to assist you in recycling Valley Northern's plastic products:

PETE

polyethylene terephthalate

bottles & tablet trays

Household recycling bin

HDPE

high-density polyethylene

bags

Household recycling bin

PVC

polyvinyl chloride

bottles

re-used where possible, disposed of in general waste bin

LDPE

low-density polyethylene

bags

Household recycling bin

PP

polypropylene

syringes

Household recycling bin

PS

polystyrene

check with your local council

OTHER

other plastics

check with your local council
